Dear Exhibitor,

Thank you for signing up to exhibit at TechNet Augusta 2018.

We are pleased to announce the launch of the [Exhibitor Resources page](#). This manual provides you with all of the materials that an exhibitor needs to have a successful experience at the event – from forms for ordering carpet, furniture, electricity, and telecommunications, to important information with regards to registration, housing, and support opportunities. It also includes details on available discounts if services are ordered by their respective earlier deadline dates. This helps you to save money and for everyone to better plan equipment needs and labor schedules – all resulting in a smooth operation and successful experience.
