Brede Exposition Services will receive your materials shipped in advance at our local warehouse, or shipped directly to show site. For detailed information regarding material handling services provided by Brede and the associated charges, please see below. Please make your show site representative aware of the following information.

Material Handling Documentation

Inbound Bill of Lading

All inbound shipments must have a Bill of Lading or delivery slip showing the number of pieces, type of merchandise and weight. Shipments received without this information will be delivered to exhibitor's booth without guarantee of piece count or condition. No liability will be assumed by Brede for such shipments. Billed weight is based on incoming weight, whether outbound services are used completely or in part. The weight is rounded up to the next one hundred pounds (100 lbs) and is taken from the inbound Bill of Lading and/or the certified weight ticket. Separate shipments will not be combined. Shipments arriving without a specified weight on the Bill of Lading will be assigned an approximate weight by Brede. This weight will prevail.

Empty Containers, Labels

Exhibitors with crates or boxes that need to be returned to pack up booth equipment at the end of the show must affix empty labels on the containers as soon as they are empty. Empty labels will be available at the Brede Service Desk. Affixing the labels is the sole responsibility of the exhibitor. Brede assumes no responsibility for removal of containers with old empty labels, improper information on labels or valuables stored in containers with empty labels. Empty containers will be removed from the floor and stored until the close of the show. You will not have access to empty containers during the show. In most cases, empty containers may not be stored in your booth during the show as it is a fire hazard.

Outbound Bill of Lading

Outbound shipping is not an automatic process. Outbound Bills of Lading must be completed and turned in to the Brede Service Desk: **do not leave outbound Bills of Lading in your booth.** Exhibitors who wish to ship outbound materials via any carrier other than the show carrier must advise carrier to be checked in at the Brede Service Desk by the driver check-in time specified on the *Show Details* page. Drivers are placed in line for loading on a first-come, first-serve basis, provided the exhibitor is completely packed and a Bill of Lading has been turned in to the Service Desk. Drivers whose Bills of Lading have not been turned in will be placed in a holding queue until the booth is packed and the Bill of Lading is turned in. Should your carrier fail to check in by the designated time, Brede reserves the right to re-route shipment via the official show carrier as necessary, at the exhibitor's expense.

Material Handling Rates

Information Form

By completing and submitting the Material Handling order form, exhibitor acknowledges reading and accepting the terms and conditions included on the Material Handling Information forms, as well as the Limits of Liability form. Please review these money-saving tips to make the most efficient use of your material handling budget. Please make your show site representative aware of the following information.

Money-Saving Tips

In General

- Ship via common carrier to avoid possible special handling surcharges.
- Ship early to avoid overnight charges whenever possible.
- Furnish accurate weight tickets with your shipment.
- Properly label/address all shipments to avoid time-consuming re-routes, mis-deliveries, and delays. Remove old shipping labels before you send materials, and attach new labels with complete information. Shipping labels are provided in this service manual for your convenience.
- When shipping direct to show site, confirm in advance that your carrier can guarantee delivery of your freight to the exhibit facility during move-in dates. When possible, schedule shipments to arrive during straight time rather than overtime periods.
- Label your freight with the number of total pieces – example 1 of 3, 2 of 3 and 3 of 3.
- Take a copy of tracking numbers to the show, as well as origination and destination points, piece counts, arrival dates and phone numbers for tracking purposes.

Consolidate Your Shipment

- Separate shipments received by Brede will not be combined. The minimum 200 lb. charge applies to each shipment Brede receives.
- Consolidate your shipment whenever possible to avoid multiple minimum charges.

For example:

- o 1 piece weighing 36 lbs. charged @ 200 lb. minimum x \$204.00 per CWT = \$408.00
- o 1 piece weighing 62 lbs. charged @ 200 lb. minimum x \$204.00 per CWT = \$408.00
- o 1 piece weighing 54 lbs. charged @ 200 lb. minimum x \$204.00 per CWT = \$408.00

TOTAL cost of three shipments arriving separately: \$1224.00

OR

- o 3 pieces totaling 152 lbs @ 200 lb minimum x \$204.00 per CWT = \$408.00

TOTAL cost of one consolidated shipment: \$408.00 Savings of \$816.00

- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Brede receiving multiple shipments.

Bill of Lading & Labels Request

Information Form

We have provided these definitions to acquaint you with specific guidelines for labor. Trade shows, conventions and special events in this vicinity are governed by local union contracts. Please review the following information in order to better understand the applicable union jurisdictions. If you have any questions once you have read this, please address them directly to Brede Exposition Services.

Material Handling

Brede Exposition Services has the responsibility of receiving and handling all the exhibit materials and empty containers. It is Brede's responsibility to manage the docks and schedule vehicles for the smooth and efficient move in/move-out of the trade show. Brede will not be responsible for any material it does not handle. Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed at the owner's expense. The fire marshal absolutely prohibits the storage of empty containers in the exhibit hall. Arrangements have been made with Brede to store empty containers.

Booth Labor

Labor is available to assist in the erection and dismantling of exhibit booths. Exhibit labor, freight labor, rigging labor, electricians and plumbers can be arranged by using the enclosed order forms. Exhibit labor claims jurisdiction for the installation, dismantling and initial cleaning of pre-fabricated exhibits and displays, when this work is done by persons other than company personnel. Exhibit labor may be employed by completing the labor forms enclosed in this manual. Labor is not required to put your product on display, open cartons containing your products, nor are they required to perform testing, maintenance and/or repairs on your products. However, if you hire any labor to assist you, the hiring must be done through the official contractor of the current trade show.

Safety

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Brede cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in the assembly/dismantle of your booth, please order labor on the enclosed *Labor Order* form and the necessary ladders and tools will be provided.

Gratuities

Brede Exposition Services requests that exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a Brede supervisor. Employees of Brede are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all Brede employees.

In General

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed directly to Brede management personnel. It is recommended that any questions arising with regard to union jurisdiction or practices should be directed to a management representative of Brede Exposition Services.
