Shipments received without this information will be delivered to exhibitor's booth without guarantee of piece count or condition. No liability will be assumed by VISTA for such shipments. LABOR GUIDELINES

We have provided these definitions to acquaint you with specific guidelines for labor. Please review the following information in order to better understand the applicable union jurisdictions. If you have any questions once you have read this, please address them directly to VISTA CONVENTION SERVICES.

Material Handling

VISTA CONVENTION SERVICES has the responsibility of receiving and handling all the exhibit materials and empty containers. It is our responsibility to manage the docks and schedule vehicles for the smooth and efficient move in/move-out of the trade show. VISTA will not be responsible for any material it does not handle. Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed at the owner's expense. The fire marshal absolutely prohibits the storage of empty containers in the exhibit hall. Arrangements have been made with VISTA to store empty containers.

Booth Labor

Since Georgia is a "right-to-work" state; exhibitor personnel may set up their own exhibits if so desired. Union Labor is available to assist in the erection and dismantling of exhibit booths. Exhibit labor, freight, and rigging labor, electricians and plumbers can be arranged for at established rates, using the enclosed order forms. Union exhibit labor claims jurisdiction for the installation, dismantling, and initial cleaning of prefabricated exhibits and displays when this work is done by persons other than the company personnel. They may be employed by submitting the Labor/Forklift order form enclosed in this manual. They are not required to put your products on display, to open cartons containing your products, or to perform testing maintenance or repairs on your products. If, however you hire any labor to assist you, it must be through the Official Contractor or a contractor that meets all of the regulations as an Exhibitor Appointed Contractor.

Safety

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. VISTA cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in the assembly/dismantle of your booth, please order labor on the enclosed Labor/Forklift order form and the necessary ladders and tools will be provided.

Gratuities

VISTA CONVENTION SERVICES requests that exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a VISTA supervisor. Employees of VISTA are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all employees.

In General

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed directly to VISTA management personnel. It is recommended that any questions arising with regard to union jurisdiction or practices should be directed to a management representative of VISTA.
