LIMITS OF LIABILITY FOR MATERIAL HANDLING

Vista Convention Services shall not be responsible for damage to uncrated materials, material improperly packed, or concealed damage.

Vista Convention Services shall not be responsible for loss, theft, or disappearance of exhibitor's material after same has been delivered to exhibitor's booth.

Vista Convention Services shall not be responsible for loss, theft, or disappearance of materials before they are picked up from exhibitor's booth for reloading after the show. Bill of lading covering outgoing shipments, which are furnished by *Vista Convention Services* to exhibitor, will be checked at time of actual pick up from booth and corrections made where discrepancies occur.

Vista Convention Services shall not be responsible for any loss, damage, or delay due to fire, Acts of God, strikes, lock-outs or work stoppages of any kind or to any causes beyond its control.

Vista Convention Services' liability shall be limited to the physical loss or damage to the specific article which is lost or damaged, and in any event, *Vista Convention Services'* maximum liability shall be limited to \$.30 per pound per article with a maximum liability of \$50.00 per item, or \$1,000.00 per shipment; whichever is less.

Vista Convention Services shall not be liable to any extent whatsoever for any actual, potential or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor's materials which may make it impossible or impractical to exhibit same.

The consignment or delivery of a shipment to *Vista Convention Services* by an exhibitor, or by any shipper to or on behalf of the exhibitor, shall be construed as an acceptance by such exhibitor (and/or other shipper) of the terms and conditions set forth.

Rates are based on incoming weight only. All weights are rounded off to the next 100 weight. Each shipment received is considered separately. Freight handling charges are the responsibility of the exhibitor.

Exhibitors are urged to carry all-risk floater insurance covering their materials against damage, loss, and all other hazards from the time shipment is made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost.

Empty container labels will be available at the Service Desk. Affixing the labels is the sole responsibility of the exhibitor or his representative. *Vista* assumes no responsibility for removal of containers with old Empty labels, mislabeled, or valuables stored inside containers while containers are in storage.

Outbound shipping labels and bills of lading will be available at the Service Desk. Exhibitor or his/her representative must pack and label their exhibit material and turn in bill of lading for each shipment at the Service Desk before leaving the show. *Vista* will route all shipments unless a designated carrier has been assigned. If the designated carrier fails to pick up by the removal date of the show, *Vista* reserves the right to route exhibit material by an alternate carrier. As a result of re-routing or handling no liability will be assumed by *Vista*.

Storing Empty Containers:

- Pickup empty labels at the Vista Service Desk.
- Place a label on each container with your company name and booth number.
- Labeled containers will be picked up periodically and stored during the show.
- Once containers are placed in empty storage there will be no access to those containers.
- At the close of the show, the empty containers will be returned to your booth in random order.
