Brede Exposition Services shall not be liable for loss or damage by fire, acts of God, or causes beyond its control. - 17. **EXHIBITORS ARE URGED TO CARRY ALL-RISK INSURANCE** covering your materials against damage, loss and all other hazards from the time shipments are made prior to the show until shipments are received back after the show. This can generally be done by adding riders to existing insurance policies, often at no additional cost. It is understood that Brede Exposition Services is not an insurer, that insurance, if any, shall be obtained by the exhibitor and the amounts payable to Brede Exposition Services hereunder are based on the value of the material handling services and the scope of Brede Exposition Services liability as set forth above.

### **Material Handling Tips**

### **Shipping Inbound:**

- Advance to Warehouse ensure your shipment arrives by the deadline date of April 15, 2019 to avoid additional surcharges.
- Direct to Show Site shipments will be received starting April 22, 2019 during posted Exhibitor Move-in hours.
- Clearly mark your company name, booth number and Homeland Security Conference on all labels.
- Material Handling is charged per shipment. To avoid multiple charges, ship all your pieces together.
- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Brede receiving multiple shipments.
- Make sure your shipment arrives with a certified weight ticket to help avoid Special Handling charges.

### **Storing Empty Containers:**

- Pickup Empty Labels at the Brede Service Desk.
- Place a label on each container with your company name & booth number.
- Labeled containers will be picked up periodically and stored during the show.
- Once containers are placed in empty storage there will be no access to those containers.
- At the close of the show, the empty containers will be returned to your booth in random order.

### **Shipping Outbound:**

- Schedule your carrier for pickup at the appropriate time if you are not shipping via the show carrier.
- Each individual shipment destination must have a completed Bill of Lading.
- Each piece must be individually labeled. Pre-printed shipping labels are available at the Brede Service Desk.
- When materials are packed, labeled and ready to be shipped, bring the completed Bill of Lading to the Brede Service Desk.

### **Consolidate Your Shipment:**

- Separate shipments received by Brede will not be combined. The minimum 200 lb. charge applies to each shipment received.
- Consolidate your shipment whenever possible to avoid multiple minimum charges.
  - 1 piece weighing 36 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00

We have provided these definitions to acquaint you with specific guidelines for labor. Trade shows, conventions and special events in this vicinity are governed by local union contracts. Please review the following information in order to better understand the applicable union jurisdictions. If you have any questions once you have read this, please address them directly to Brede Exposition Services.

### **Material Handling**

Brede Exposition Services has the responsibility of receiving and handling all exhibit material and empty containers. It is our responsibility to manage the docks and schedule vehicles for the smooth and efficient move-in and move-out of the exposition. Brede will not be responsible, however, for any material we do not handle.

Teamsters Local 639 claims jurisdiction over all unloading and reloading of freight, exhibit materials, product, and empty containers and related equipment. They also have jurisdiction over all material handling equipment including but not limited to forklifts, tow motors, dollies, pallet jacks etc. An exhibitor may hand-carry in one trip any material that does not require the use of wheels or other material moving devices.

### **Booth Labor**

Carpenters Local Union 491 claims jurisdiction over setup and dismantling of exhibits including signs and laying of carpet. This does not apply to the unpacking and placement of your product. Up to two (2) full-time employees may work without carpenter labor for one (1) hour on the move-in and one (1) hour on the move-out. Once this time has expired and work to complete the exhibit remains, the exhibitor must hire carpenter labor from the service contractor in order to complete the work. Exhibitors may work in a single 10' x 10' booth without the aid of carpenter labor. The use of power tools by an exhibitor is not permitted in any situation.

### Safety

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Brede cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in the assembly/dismantle of your booth, please order labor on the enclosed Labor/Forklift order form and the necessary ladders and tools will be provided.

### **Gratuities**

Brede Exposition Services requests that exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a Brede supervisor. Employees of Brede are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all employees.

### In General

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed directly to Brede management personnel. It is recommended that any questions arising with regard to union jurisdiction or practices should be directed to a management representative of Brede.
