We strongly recommend that all exhibitors ship advance to the warehouse using the labels provided in this service manual.

- **Direct to Show Site** - shipments will be received starting **November 12, 2019** during posted Exhibitor Move-in hours.
- Clearly mark your company name, booth number and **MILCOM 2019** on all labels.
- Material Handling is charged per shipment. To avoid multiple charges, ship all your pieces together.
- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Brede receiving multiple shipments.
- Make sure your shipment arrives with a certified weight ticket to help avoid Special Handling charges.

Storing Empty Containers:

- Pickup Empty Labels at the Brede Service Desk.
- Place a label on each container with your company name & booth number.
- Labeled containers will be picked up periodically and stored during the show.
- Once containers are placed in empty storage there will be no access to those containers.
- At the close of the show, the empty containers will be returned to your booth in random order.

Shipping Outbound:

- Schedule your carrier for pickup at the appropriate time if you are not shipping via the show carrier.
- Each individual shipment destination must have a completed Bill of Lading.
- Each piece must be individually labeled. Pre-printed shipping labels are available at the Brede Service Desk.
- When materials are packed, labeled and ready to be shipped, bring the completed Bill of Lading to the Brede Service Desk.

Consolidate Your Shipment:

- Separate shipments received by Brede will not be combined. The minimum 200 lb. charge applies to each shipment received.
- Consolidate your shipment whenever possible to avoid multiple minimum charges.

1 piece weighing 36 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00

1 piece weighing 62 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00

1 piece weighing 54 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00

TOTAL cost of three shipments arriving separately: \$600.00

OR

3 pieces totaling 152 lbs @ 200 lb minimum x \$100.00 per CWT = \$200.00

TOTAL cost of one consolidated shipment: \$200.00 Savings of \$400.00

- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Brede receiving multiple shipments.

We have provided these definitions to acquaint you with specific guidelines for labor in preparation of your Vancouver, Canada show. Please review the following labor jurisdictions for the Vancouver area.

If you have any questions once you have read this, please address them directly to Brede Exposition Services.

Material Handling

Brede Exposition Services has the responsibility of receiving and handling all the exhibit materials and empty containers. It is Brede's responsibility to manage the docks and schedule vehicles for the smooth and efficient move in/move-out of the trade show. Brede will not be responsible for any material it does not handle. Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed at the owner's expense. The fire marshal absolutely prohibits the storage of empty containers in the exhibit hall. Arrangements have been made with Brede to store empty containers.

Booth Labor

Since Virginia is a "right-to-work" state; exhibitor personnel may set up their own exhibits if so desired. Union Labor is available to assist in the erection and dismantling of exhibit booths. Exhibit labor, freight, and rigging labor, electricians and plumbers can be arranged for at established rates, using the enclosed order forms.

Union exhibit labor claims jurisdiction for the installation, dismantling, and initial cleaning of prefabricated exhibits and displays when this work is done by persons other than the company personnel. They may be employed by submitting the labor order forms enclosed in this manual. They are not required to put your products on display, to open cartons containing your products, or to perform testing maintenance or repairs on your products. If, however you hire any labor to assist you, it must be through the Official Contractor or a contractor that meets all of the regulations as an Exhibitor Appointed Contractor.

Safety

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Brede cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in the assembly/dismantle of your booth, please order exhibit labor by completing Labor/Forklift order form enclosed in this manual and the necessary ladders and tools will be provided.

Gratuities

Brede Exposition Services requests that exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a Brede supervisor. Employees of Brede are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all Brede employees.

In General

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed directly to Brede management personnel. It is recommended that any questions arising with regard to union jurisdiction or practices should be directed to a management representative of Brede.
