Shipment Advisory

Dear Exhibitor,

We strongly recommend that all exhibitors ship advance to the warehouse using the labels provided in this service manual.

Exhibitor shipments sent to the Hilton Hawaiian Village c/o Brede or shipments sent "Hold for Guest" will incur hotel surcharges which will be in addition to Brede's material handling charges. Exhibitors may avoid these additional fees by shipping to the advance warehouse.

As a reminder, all FedEx and UPS shipments are first received by the Hilton. Once packages have been processed at the business center, Brede is notified to pick up show shipments. This process causes significant delays in delivery.

FedEx and UPS are not permitted to pickup from the Coral Ballroom. All outbound FedEx and UPS shipments must be taken to the Hilton Business Center, located in the Diamond head Tower, by the exhibitor. Additional hotel handling fees will apply.

Advance Shipments

Exhibitors may choose to ship freight to the advance warehouse. Brede will receive and manage your materials shipped in advance and when brought to show site.

Material handling fees are paid to Brede, and are separate from and independent of freight transportation charges, which are paid to freight carriers such as YRC, ABF, FedEx, or any other carrier of the exhibitor's choosing.

Exhibitors are responsible for securing a carrier of their choice, arranging freight transportation to and from the event, and all associated fees.

Material Handling Tips

Shipping Inbound:

- **Advance to Warehouse** - ensure your shipment arrives by the deadline date of **November 8, 2019** to avoid additional surcharges.
- **Direct to Show Site** - shipments will be received starting **November 17, 2019** during posted Exhibitor Move-in hours.
- Clearly mark your company name, booth number and **TechNet INDO-Pacific 2019** on all labels.
- Material Handling is charged per shipment. To avoid multiple charges, ship all your pieces together.
- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Brede receiving multiple shipments.
- Make sure your shipment arrives with a certified weight ticket to help avoid Special Handling charges.

Storing Empty Containers:

- Pickup Empty Labels at the Brede Service Desk.
- Place a label on each container with your company name & booth number.
- Labeled containers will be picked up periodically and stored during the show.
- Once containers are placed in empty storage there will be no access to those containers.
- At the close of the show, the empty containers will be returned to your booth in random order.

Shipping Outbound:

- Schedule your carrier for pickup at the appropriate time if you are not shipping via the show carrier.
- Each individual shipment destination must have a completed Bill of Lading.
- Each piece must be individually labeled. Pre-printed shipping labels are available at the Brede Service Desk.
- When materials are packed, labeled and ready to be shipped, bring the completed Bill of Lading to the Brede Service Desk.

Consolidate Your Shipment:

- Separate shipments received by Brede will not be combined. The minimum 200 lb. charge applies to each shipment received.
- Consolidate your shipment whenever possible to avoid multiple minimum charges.

1 piece weighing 36 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00

1 piece weighing 62 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00

1 piece weighing 54 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00

TOTAL cost of three shipments arriving separately: \$600.00

OR

3 pieces totaling 152 lbs @ 200 lb minimum x \$100.00 per CWT = \$200.00

TOTAL cost of one consolidated shipment: \$200.00 Savings of \$400.00

- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Brede receiving multiple shipments.

Information Form

We have provided these definitions to acquaint you with specific guidelines for labor. Trade shows, conventions and special events in this vicinity are governed by local union contracts. Please review the following information in order to better understand the applicable union jurisdictions. If you have any questions once you have read this, please address them directly to Brede Exposition Services.

Material Handling

Brede Exposition Services has the responsibility of receiving and handling all the exhibit materials and empty containers. It is Brede's responsibility to manage the docks and schedule vehicles for the smooth and efficient move in/move-out of the trade show. Brede will not be responsible for any material it does not handle. Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed at the owner's expense. The fire marshal absolutely prohibits the storage of empty containers in the exhibit hall. Arrangements have been made with Brede to store empty containers.

Booth Labor

Labor is available to assist in the erection and dismantling of exhibit booths. Exhibit labor, freight labor, rigging labor, electricians and plumbers can be arranged by using the enclosed order forms. Exhibit labor claims jurisdiction for the installation, dismantling and initial cleaning of pre-fabricated exhibits and displays, when this work is done by persons other than company personnel. Exhibit labor may be employed by completing the labor forms enclosed in this manual. Labor is not required to put your product on display, open cartons containing your products, nor are they required to perform testing, maintenance and/or repairs on your products. However, if you hire any labor to assist you, the hiring must be done through the official contractor of the current trade show.

Safety

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Brede cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in the assembly/dismantle of your booth, please order labor on the enclosed *Labor Order* form and the necessary ladders and tools will be provided.

Gratuities

Brede Exposition Services requests that exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a Brede supervisor. Employees of Brede are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all Brede employees.

In General

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed directly to Brede management personnel. It is recommended that any questions arising with regard to union jurisdiction or practices should be directed to a management representative of Brede Exposition Services.
