

**Jon K. Leombrone**  
Vice President, Strategy  
Communication Systems

Jon Leombrone is vice president of Strategy for L3Harris Technologies' Communication Systems segment. Communication Systems covers a broad portfolio, including tactical and airborne radios, night vision technology, and defense and public safety networks.

Leombrone joined L3Harris in 2006 and assumed the position of vice president, strategy in 2018. In this position, he is responsible for leading strategy, sales operations and marketing communications, reporting to the president of Communication Systems.

Previously, he served as senior director of airborne programs and products where he was responsible for business expansion from the ground to the aerial tier. Prior to that, he was the director of international

programs, overseeing programs for the Australia, Middle East, Central Asia, Africa and Asia Pacific regions.

Before joining L3Harris, Leombrone was an Active Duty Surface Warfare Naval Officer, serving as a Communications and Combat Systems Officer aboard ships based in Norfolk, VA. He also served as an Integrated Training Officer at Pacific Fleet Training Command in San Diego, CA.

Leombrone holds a Master of Business Administration degree from San Diego State University, a Master of Science degree in mechanical engineering from the University of Rochester, NY and a Bachelor of Science degree in mechanical engineering from the University of Rochester.

L3Harris Technologies is an agile global aerospace and defense technology innovator, delivering end-to-end solutions that meet customers' mission-critical needs. The company provides advanced defense and commercial technologies across air, land, sea, space and cyber domains. L3Harris has approximately \$17 billion in annual revenue and 50,000 employees, with customers in 130 countries. [L3Harris.com](http://L3Harris.com)
